

WREGIS Notice of Termination of Agent Designation

November 2017

Western Renewable Energy Generation Information System (WREGIS)

NOTICE OF TERMINATION OF AGENT DESIGNATION

Instructions:

- This Notice of Termination of Agent Designation must be completed, signed and submitted to the WREGIS Administrator in order to make the termination of a previously submitted Notice of Agent Designation effective. This notice will only be effective upon the WREGIS Administrator's acknowledgement of acceptance by email or by online completion of the requested change.
- Notice of Termination requires only the signature of the Principal (i.e. the entity(ies) or person(s) that owns or controls the Generating Unit or its output (also referred to as Generator Owner(s)) that executed the original Notice of Agent Designation.
- All Generating Units subject to this Notice of Termination must be accurately listed and identified.
- The applicable WREGIS procedures and rules governing agent designation, and the termination of such agent designation are as set forth in the WREGIS Operating Rules and Account Holder Registration Agreement (also known as the "Terms of Use").
- This is only a notice. The parties' legal relationship and the terms and conditions governing the termination of the Generator Owner(s) and Agent's agency relationship are to be determined between the parties.
